## November 2022

### “Be Thankful Every Day”

*“Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful.” Colossians 3:15 (NIV)*

It is November and it is time to start the holiday season. Seems like the year just began and now we are coming to the end. November is the month that we celebrate Thanksgiving. Everyone has their own way of celebrating this holiday, but in general it involves gathering with friends or family, eating, watching football, visiting, and having a good time. For some the holiday weekend involves shopping for Christmas presents and taking advantage of the sale prices they find. Some families have a time for sharing what they are thankful for and some look back over the year and realize how much they have come through and they are overwhelmed with thankfulness to God.

**I am suggesting that this November we emphasize being thankful each day in November.**

Note the scripture above from Colossians. Paul

reminds us that being thankful regularly is a key part of letting the peace of Christ rule in your hearts. Instead of focusing just on what we need, focus on what we have already received. **The Message puts it this way: “Cultivate thankfulness.”** That implies that thankfulness is something that we must work to develop. That is why I am suggesting that every day of November we work to develop an attitude of thankfulness. It might be through prayer – thanking God specifically for blessings he has given you. It might be through journaling – writing some things down each day. It might be through talking with your spouse or a good friend about what you are thankful for. There are many ways to cultivate thankfulness.

In Chapter 2 of Colossians, Paul put it this way: “So then, just as you received Christ Jesus as Lord, continue to live your lives in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness.” These two verses (verses 6 & 7) show us that thankfulness is a key part of our spiritual growth and drawing closer to God. **Living our lives rooted in Christ Jesus includes being thankful for God’s presence in our lives and developing eyes to see the many blessings that have been given to us.**

Being thankful for a gift that you have been given does not take away from your empathy for others you know that were not given that gift. Perhaps you have recovered from a serious disease or injury, but you know someone who died of the same disease or injury or they have been unable to fully recover. We need to cultivate empathy with those individuals and families. We can be an instrument of God’s love, healing, and peace to them. That is a part of being thankful for the gift we have been given.

## Quaker Beliefs, Part 6

### What do YOU believe about salvation?

**Introduction** – In our series of “Early Quaker Beliefs” we have discussed God, Jesus Christ, the Holy Spirit, the Holy Scripture, and fallen man’s state of need. If you haven’t caught these topics, you can see the articles in previous newsletters or on our website at [spicelandfriends.org](http://spicelandfriends.org). The topic this month is what we believe about salvation. Below is the statement from “Faith and Practice” as well as a simple explanation.

**Belief Statement from Faith and Practice about our Salvation** – *“God so loved the world that He gave His only begotten Son, that whosoever believeth Him should not perish but have everlasting life.” John 3:16 (KJV)*

We believe that salvation is God’s free grace, through which, upon repentance and faith, He pardons our sins, and imparts to us new life. It is received, not for any works of righteousness that we have done, but in the unmerited mercy of God in Christ Jesus. Through faith in Him, and the shedding of His precious blood, the guilt of sin is taken away, and we stand reconciled to God in a restored personal relationship with Jesus Christ.

**Summary of Belief Statement** – We often forget that God asks us to have “childlike” faith. Our eternal salvation is a very simple process that we often make complicated. We believe that God’s creation, His Word, and even human history each provide enough evidence that God exists and that his son Jesus Christ is who He says He is. God offers each of us his free gift of salvation. We accept this free gift by **believing in Him**. This (belief) means believing in His grace, his mercy, and his way, not just that He existed. The Bible teaches that our salvation also includes **a repentant heart**. That is acknowledging that we are sinners, confessing our sins before God, changing our mindset, and walking a path pleasing to God as His Word, and His Holy Spirit guides our heart and mind. Although our faith is between us and God, the Bible also calls us to share our new walk with others both in word and service. This is how God is enabled to love the world through us. Recognize your need, believe His way is the TRUTH, confess that you are a sinner

to God, and walk in His Way. If you ever have questions or need to discuss your salvation with someone, please reach out to a mature Christian friend who can help guide you and answer your questions.

## Addition to Children’s Programming

Christian Education will begin a new program for children from the ages of 3 through 1st grade that will encourage our little ones in their walk with Jesus. This is a fun, Bible-based program that will be headed by **Diana Bowman**. It will begin at 9:30 and run through the end of our worship service. Kids can either participate in the entire program or part of the program during the worship service. We encourage parents to be involved in our adult Sunday School class while their children are also in Sunday school. Included each Sunday will be lesson-based learning centers including, scripture memorization, music, movement, stories, sports, worship service participation, snacks, and much more. If anyone is interested in helping once or twice a month, let Diana know. Watch for more details coming soon. We hope to kick it off on Sunday, November 13.
